

The Ballistic 6 has been re-designed and built with safety, style and adventure in mind. The stylish grey and charcoal hypalon tubes and premium Silvertex upholstery give a luxurious look and feel to the Ballistic 6. With a spacious deck and great seating layout, you can comfortably seat all of your family on the Ballistic 6 and a stable and dry ride is ensured with the large tubes and deep V hull. The Ballistic 6 is a perfect starter family RIB, and would also make a great support boat for training centres and sailing clubs.
